2.1 Rule 1

Members shall give out all personal information.

2.2 Rule 2

Members shall not be a cry baby bitch.

2.3 Rule 3

Members shall not believe themselves to be hot shit.

2.3.1 *Hot Shit Rule*

A member cannot be hot shit by their own opinion, the status of a members shit temperature shall be determined by the rest of the council.

2.4 Rule 4

Members shall grow up.

2.5 Rule 5

A members personal business is everyone's business

2.6 Rule 6

All rights to those who council members talk to are under the council's control.

2.7 Rule 7

All those who say eat a dick Ricardo Jr. shall also eat dicks.

2.8 Rule 8

Those members who use God's name in vain shall aquire no pussy of the night the name is taken in vain.

2.9 Rule 9

Those members who keep quiet shall remain quiet until further spoken to.

2.10 Rule 10

Those members who declare other council members to have a good weekend shall not have a good weekend because that is gay shit.

2.10.1 *Gay Shit Rule*

Without prior permission from the council all members are obliged to do whatever is in their power to "be missed with that gay shit". Failure to miss gay shit is gay shit which as previously stated all members are obliged to miss.

2.11 Rule 11

Those members who ghost the council never really leave the council for that member has no friends outside of the council.

2.12 Rule 12

Those members who have friends outside of the council shall be burdened with the wookie of a female partner.

2.13 Rule 13

A member who has a problem with another member or members of the council is every high member of the councils problem.

2.13.1 *High Members of the Council*

The High Members of the Council referred to hereby as the HMoC or the High Members will be detailed in section ??.

2.14 Rule 14

Those members who throw hands with other council members will be looked down upon by the other council members as this is a council and those who resort to such violence are rather sensitive and do not understand a quality roast. The shit a member has brought upon themselves through the course of their actions and words does not put them above a quality roast, and to think so is to act childish and to act better than the council members.

2.14.1 *Equality of Members*

All members of the council regardless of their position(s) within the council are equally shitty.

2.15 Rule 15

A member who says "I was not fuck tard and I lettered" are angry for something that is entirely their own fault and shall take a knee.

2.16 Rule 16

A member who uses another council member(s) against another member(s) will be looked down upon by the Toniest of all Gods for that is not the way of the Council.

3 Rules of Operation

This section will detail the operations of the council as they are added.

3.1 Ratification

The constitution will be ratified whenever there is a change or addition to it. It will be ratified by a vote of the members as detailed in section 3.2. Ratification will require at least 50% of the members to vote in favor of ratification.

3.1.1 *Changes Exempt From Full Ratification*

Grammatical corrections, clarifications, and name changes will not require a full ratification of the updated constitution provided they do not change the meaning, interpretation, or usage of the constitution.

3.2 Voting

Voting on matters by the council will be done as follows. The council will use the voting functionality provided by group me to vote on matters. The vote will be initiated by the council chair.

4 Current Status of the Council

This section will be updated as the state of the Council changes.

4.1 Council Chair

The current Council Chair is Council Member Porcelain Tub, following his appointment by Council Member Redskin at the creation of the council and following a vote of confidence that was initiated by Council Member Sax Man at the end of the creation period of the council.
